1. Our **VISA** card rates are **8.9% to 17.9%**
2. Lowest available rates for every FICO Score. They are based on your credit history.
3. Shorter "approval time". We process our Loans "in house".
4. Accepted by over 99.5 % of all merchants.
5. Local in-person and phone assistance is provided.
6. You control the "Cap Limits" on your spending. No balance transfers, hidden or annual fees.

In 2018, who knew your front, back, side yard, porch or balcony would be the best place "to go to and chill out" after your kids went to bed?

We know you will love this...

We offer Overdraft Line of Credit! It saves you from the embarrassment of a bounced payment(s). Also, our rates save you money.

Ask us how \$5. plus your child and a little time (well-spent) will open a PWFCU Youth Savings Account.

From time to time, the feds will adjust their rates to balance the economy. This in turn affects our rates.
